PROFILE

Passionate about code and design, I'm a Full-stack Developer with a Front-end soul. I'm on my way to mastering UX/UI design to create memorable experiences and combine functionality and beauty in every digital project.

PROJECTS

Swipe Stories

🔗 github.com/laumoen/swipe-stories

Swipe Stories is the perfect website to use for when you're bored! For people who enjoy watching movies and TV shows and also reading books, including a swipeable form that makes life easy for you and gives you an answer on what to do based off your yes and no responses.

EXPERIENCE

Early Childhood Educator

El Cucut | El Nostre Jardí | Doble Via | Happy Way | Polaris | Campos Estela | Creactium | Maria Montessori | Ramón Llull

📅 09/2018 - 06/2025 📍 Several schools and companies
